Clarifying Question RFP 2017

Curriculum/Standards/Assessment

Q. Is sign language considered a "foreign language" option under the Maine Learning Results? Where can I find out more about foreign language requirements?

Answer:

Yes, American Sign Language is recognized as a world language in Maine. The Maine Learning Results includes references in the performance indicators and descriptors of modern language that are inclusive of ASL. Where there are exceptions because of the nature of sign language, they are noted.
